IRON MOUNTAIN CAN STORE AND DELIVER YOUR EMERGENCY RESPONSE EQUIPMENT AND SUPPLIES SO THAT YOU ARE PREPARED AND CAN ACCESS THEM IN THE EVENT OF A DISASTER OR MEDICAL EMERGENCY.

TACKLE ANY EMERGENCY WITH IRON MOUNTAIN STORAGE AND DELIVERY

When the unexpected happens, Iron Mountain is ready to help. Our extensive network of facilities and fleet of vehicles ensures a fast and seamless response to your storage and delivery requests from virtually anywhere.

SECURELY STORE AND RAPIDLY DELIVER EMERGENCY RESPONSE EQUIPMENT AND MEDICAL INVENTORY

Quickly and efficiently respond to an emergency. Store and ship whatever you need, including:*

- **Medical Inventory**, including but not limited to personal protective equipment (ppe), masks, booties, gowns, face shields, medical and office supplies, medical equipment (blood pressure cuffs, wheelchairs, IV poles/supplies, respirators, etc.), non hazardous test kits, and common medication.
- **First Responder Equipment**, including but not limited to evacuation signs, first aid kits, canned goods, flashlights, tents, and shelter supplies.
- **Non critical Inventory**, which means storing non essential items and making space to set up temporary or permanent emergency shelters, clinics, and critical care units.

- Securely store emergency supplies and medical equipment offsite where it will be available for delivery when needed.
- Protect emergency response assets from loss, theft, or damage.
- Free up space for mission-critical initiatives such as temporary hospitals, emergency clinics, and shelters.
- Securely store pallets of stockpiled inventory to mitigate disruptions in the supply chain.

SECURE STORAGE

Iron Mountain facilities are reputed for security: perimeter, entry, and interior. Only authorized users will ever have access to your inventory, and proven fire safety and environmental safeguards ensure their continued viability. Assets are tagged and classified using your own terminology for easy access and retrieval.

AUDITABLE CHAIN OF CUSTODY

Iron Mountain facilities are governed by strict, industry-leading chain-of-custody procedures. Our proven workflows and technology-enabled tagging means you'll have complete visibility and control over your inventory at all times.

ACCESS IS JUST A CLICK AWAY

The Iron Mountain Connect™ application provides online management of your inventory. With just a few clicks, you can search through your inventory, locate what's required, and arrange for delivery by our vetted and trained employees.

SEAMLESS, EXPEDITED DELIVERY

Iron Mountain's network of storage and distribution facilities makes shipping items fast, easy, and convenient. We are located close to major cities, airports, and interstate highways, which means we can deliver what you need quickly and efficiently.
